## EROSION & SEDIMENT POLLUTION CONTROL (E&S) PROJECT AND NPDES PERMIT FILING APPLICATION

*This application must be completed by the applicant or his/her agent and submitted along with the required plan information and project/permit fees. Fees cover a range of services and include, but are not limited to, plan reviews, project site inspections, meetings, and time spent on a project. Major modifications to an approved Erosion & Sediment Pollution Control Plan requiring a technical review will be subject to permit and project fees. Depending on the project, there may be 3 different fees that must be paid upon submission. Incomplete submissions will not be accepted for plan review.*
